Space Applications Centre (SAC), ISRO, Ahmedabad

at

**Space Applications Centre, ISRO
Ahmedabad, India**

7-10 November 2017

INTROMET-2017 Symposium was inaugurated on November 7, 2017 at the New Auditorium of Space Applications Centre, Ahmedabad. Shri. A S Kirankumar, Chairman, ISRO & Secretary, DOS, Gol graced the occasion as the Chief Guest. Dr. M Rajeevan, Secretary, MoES, Gol, was the Guest of Honour at the Symposium.

Eminent personalities like Shri. O P N Calla, Prof. George Joseph, AVM Dr. Ajit Tyagi, Dr. K J Ramesh, Prof. T N Krishnamurthi, Prof. Sulochna Gadgil, Dr. R Krishnan were present on the occasion. About 25 foreign delegates from various space agencies and meteorology departments attended the symposium. The symposium witnessed participation of more than 400 national delegates including practising meteorologists, academia, researchers and students from across India.

Some of the highlights of the inaugural function were releases of INTROMET-2017 Souvenir featuring memoirs of Late Shri. Dev Raj Sikka, CDs of symposium Abstracts, IMS-AC newsletter MEGHA and a glimpse of Earth by Cartosat-2S.
